

## Course Structure for Psychology, Philosophy & Linguistic Students

<b>1st YEAR</b>	TERM 1	<b>Prelims For all subjects</b>	All students will study <b>3</b> Introductory Courses: <ul style="list-style-type: none"><li>○ Psychology</li><li>○ Statistics</li><li>○ Philosophy</li><li>○ Linguistics</li><li>○ Neurophysiology</li></ul>	Psychology & Philosophy students typically take: <ul style="list-style-type: none"><li>○ Psychology</li><li>○ Philosophy</li><li>○ Statistics</li></ul>	Psychology & Linguistics students typically take: <ul style="list-style-type: none"><li>○ Psychology</li><li>○ Linguistics</li><li>○ Statistics</li></ul>	Philosophy & Linguistics students typically take: <ul style="list-style-type: none"><li>○ Philosophy</li><li>○ Linguistics</li><li>○ Statistics</li></ul>		
	Term 2							
<b>Preliminary Examinations</b>								
After the Prelim exams, students can choose to continue a <b>bipartite degree</b> (Psychology & Philosophy, Psychology & Linguistics or Philosophy & Linguistics, or, subject to their college's approval, a <b>tripartite degree</b> (Psychology, Philosophy & Linguistics). Prelim results do not count towards the final degree. Students studying Psychology as part of the PPL Degree must sit the Prelim Statistics examination (or an equivalent qualifying examination) and an Experimental Design and Statistics examination in the second year.								
<b>2nd Year</b>	Term 3	<b>Part I Psychology Core Modules</b>	Students choosing Psychology will study <b>4 Core Modules</b> in Experimental Psychology in <b>Terms 3-5</b> from the following: <ul style="list-style-type: none"><li>○ <b>Cognitive Neuroscience</b></li><li>○ <b>Behavioural Neuroscience</b></li><li>○ <b>Perception</b></li><li>○ <b>Memory, Attention &amp; Information Processing (MAIP)</b></li><li>○ <b>Language &amp; Cognition</b></li><li>○ <b>Developmental Psychology</b></li><li>○ <b>Social Psychology</b></li><li>○ <b>Personality, Individual Differences &amp; Psychological Disorders</b></li></ul>	Students choosing Philosophy will study between <b>3</b> and <b>5 Special Subjects</b> in Philosophy in <b>Terms 3-8</b> (examples below): <ul style="list-style-type: none"><li>○ <b>Ethics</b></li><li>○ <b>Philosophy of Mind &amp; Action</b></li><li>○ <b>Philosophy of Science, Neuroscience &amp; Psychology</b></li><li>○ <b>Knowledge &amp; Reality</b></li><li>○ <b>Philosophy of Religion</b></li></ul>	There are no 2 <sup>nd</sup> Year Examinations for Philosophy and Linguistics.  PPL students studying Psychology must decide on the overall balance of Psychology to that of Philosophy and/or Linguistics. In total they must take <b>8 papers</b> , out of which the Part 1 Psychology Exams taken at the end of Term 5 counts as <b>2 papers</b> . If you wish to concentrate on more Philosophy/Linguistics (a 3:5 split) then you can take just <b>1</b> Psychology Advanced Option and <b>5 papers</b> in other subjects.	Similarly, students studying Philosophy & Linguistics can choose the relevant balance of the two subjects.		
	Term 4						Study Statistics & Experimental Design	
	Term 5							Carry out Lab-Based Practical Work
	<b>Part 1 Examinations (Psychology) and Lab-Based results count 20% towards the final degree</b>				Students choosing Linguistics will study between <b>3</b> and <b>5 Special Subjects</b> in Linguistics in <b>Terms 3-8</b> (examples below): <ul style="list-style-type: none"><li>○ <b>Syntax</b></li><li>○ <b>Semantics</b></li><li>○ <b>Phonetics &amp; Phonology</b></li><li>○ <b>Sociolinguistics</b></li><li>○ <b>Psycholinguistics</b></li><li>○ <b>Language Change &amp; Historical Linguistics</b></li><li>○ <b>Linguistics Project</b></li><li>○ <b>General Linguistics</b></li></ul>	<b>NB: You must choose a 4:4 or 5:3 split of Psychology to qualify for Graduate Basis of Chartered Membership of the British Psychological Society (BPS)</b>		
	Term 6						<b>Part II Psychology Advanced Options</b>	If you wish to concentrate 50/50 (4:4) on Psychology and Philosophy/Linguistics then you will take <b>2</b> Psychology Advanced Options in the 3 <sup>rd</sup> Year and <b>4 papers</b> in other subjects.
<b>3rd Year</b>	Term 7	If you wish to concentrate more on Psychology (5:3 split in favour of Psychology) then you will take <b>3</b> Psychology Advanced Options and <b>3 papers</b> in other subjects. One paper may be Research Project or a Library Dissertation						
	Term 8		Carry out Lab-Based Practical Work					
	Term 9	<b>FINAL EXAMINATIONS</b>
